Tiruppur – 638103 | +91 6374639858 | kalaivanans.it@gmail.com | [Portfolio Link](#)

PROFESSIONAL SUMMARY

Motivated and detail-oriented B.Tech student specialising in web development and emerging technologies, with hands-on experience in front-end development acquired through academic projects and an industry internship. Proficient in HTML, CSS, and JavaScript with a foundational understanding of AI concepts. Adept at building responsive, user-friendly interfaces and solving real-world problems through clean, efficient code.

TECHNICAL SKILLS

Front-End Development: HTML, CSS, Responsive Web Design

Programming Languages: Java, Python (Fundamentals), C (Fundamentals), JavaScript

Tools & Software: VS Code, GitHub, Adobe Photoshop, Figma (Basics)

Soft Skills: Problem Solving, Team Collaboration, Quick Learner, Time Management, Communication

WORK EXPERIENCE

Front-End Web Development Intern | Cyfotok Pvt. Ltd. – Coimbatore, India | July 2025 (15 Days)

- Designed and developed responsive web pages using HTML, CSS, and JavaScript, ensuring cross-browser compatibility and mobile-first layouts.
- Collaborated with a professional development team to implement UI components, improving page structure and visual consistency across multiple screens.
- Performed debugging, code reviews, and performance optimisation tasks, reducing page-load inefficiencies identified during testing.

PROJECTS

Personal Portfolio Website

- Developed a fully responsive personal portfolio website to showcase academic projects, skills, and contact information to potential recruiters.
- Implemented smooth scrolling, CSS animations, and mobile-first design principles to enhance user experience across devices.
- Optimised page performance using semantic HTML, minimised CSS specificity, and ensured accessibility compliance.

Car Rental Management System

- Built a car rental management system enabling users to search and browse available vehicles.
- Implemented car selection functionality allowing users to view details and choose a vehicle for booking.
- Integrated pickup and drop date selection to calculate rental duration and availability in real time.

EDUCATION

Bachelor of Technology (B.Tech) | Expected Graduation: May 2027

Nandha Engineering College, Erode, Tamil Nadu

- Pursuing a technology-focused curriculum covering programming, data structures, web development, and emerging technologies AI/ML.
- Actively participating in college tech fests, coding challenges, and peer project collaborations to complement academic learning.
